SPECIAL ENVELOPES

Many churches need additional envelopes for special giving opportunities, events, or services. Examples of special giving opportunities include holidays, building funds, or outreach missions. To fill this need, we offer four different types of Special Envelopes.

STANDARD SPECIAL

The Standard Special looks identical to the weekly envelopes in the book except it has the title of the special opportunity printed on it.

PREMIUM COLOR SPECIAL

The Premium Special also resembles the weekly envelopes, but in addition to the special it also has bars at the bottom of the envelopes. This makes it easier for special funds to be separated from regular offerings.

COLOR BORDER SPECIAL

The Color Border Special is different from the rest of the envelopes in the book; it features a colored cross, a special title, field for amount and name, and a printed color border around the edge of the envelope.

FULL COLOR SPECIAL

The Full Color Special is the most eye-catching Special envelope. These envelopes provide an exciting way to encourage giving for specific causes. A large selection of full color designs is available on our website, or we can custom design them for your church. There is a design charge for first time custom envelopes. Please contact our Customer Care Specialist for more details.

PICTURE/LOGO ON ENVELOPES

There is a \$40 setup charge for first time or change of picture/logo. Text changes are no extra charge.

CUSTOM BOOK COVERS

Select a cover to protect and finish your envelope book. We encourage you to be creative in this part of the process. Are there favorite images or symbols that have special meaning to your church? We also provide an image gallery on our website. Cover charges are on chart below.

ENVELOPE INK COLOR

Black is standard—no charge. There is a \$40 ink charge for Blue, Purple, Teal, Red, and Green. For all other colors including custom PMS colors, please contact our Customer Care Specialists for pricing.

NOTE—For undated books, as well as books with perpetual dating, all specials and fifth Sundays can be inserted either at the beginning or at the end of the book.

STOCK BOOKS

These books contain 52 weekly envelopes perpetually dated beginning January 1st Sunday, an initial offering envelope and envelopes for Easter, Thanksgiving and Christmas. Books are supplied with consecutive numbers, sequence at our discretion. They provide for giving to one weekly fund for Small Size and three weekly funds for Full Size. Books cannot be printed with fund title.
